- Spark Tech Community Manager
- Former Microsoft Intern
- Cat + Dog Lover

The background features several abstract, flowing lines in shades of blue and cyan. Some lines have small dots at various intervals. These lines curve and intersect, creating a dynamic, modern feel. One line starts from the top left, curves down, then up and to the right. Another line starts from the top center, curves down and to the right. A third line starts from the bottom left, curves up and to the right, then levels out. A fourth line starts from the bottom center, curves up and to the right, then levels out. A fifth line starts from the bottom right, curves up and to the right, then levels out.

Microsoft Cloud Squad

Upskilling for future jobs

Microsoft Thailand, partners, and community leaders are here to help you discover new career paths, learn digital skills, find jobs that are in-demand, and stand out to recruiters.

1. Sign in to Microsoft Learn with your Microsoft account

www.microsoft.com/learn

The screenshot displays the Microsoft Learn homepage. At the top, there is a navigation bar with the Microsoft logo, links for Docs, Documentation, Learn (highlighted), Q&A, and Code Samples. A search bar and a 'Sign in' link are also present. Below the navigation bar, a secondary menu includes 'Learn', 'Products', 'Roles', 'Learn TV', 'Certifications', and 'FAQ & Help'. The main content area features a large 'WELCOME TO MICROSOFT LEARN' section with the heading 'Discover your path' and a subtext: 'Whether you're just starting or an experienced professional, our hands-on approach helps you arrive at your goals faster, with more confidence and at your own pace.' It includes a 'Customize my path' button and a link to 'Browse the full catalog'. To the right, the word 'LEARN' is written in large, colorful, stylized letters. Below this, there are three main sections: 'LEARNING PATHS' with the heading 'Learn on your own schedule', 'CERTIFICATIONS' with the heading 'Become Microsoft certified', and 'LEARN TV' with the heading 'Watch live and recorded events'. Each section has a brief description and a link to explore further. At the bottom, a section titled 'Popular learning paths and modules' lists three specific learning paths related to Azure Fundamentals.

2. Get started with Azure Fundamentals learning paths

The screenshot shows the Microsoft Learn website interface. At the top, there's a navigation bar with 'Microsoft' logo, 'Docs', 'Documentation', 'Learn', 'Q&A', and 'Code Samples'. A search bar and a 'Sign in' link are on the right. Below this, a secondary navigation bar includes 'Learn', 'Products', 'Roles', 'Learn TV', 'Certifications', and 'FAQ & Help'. The main content area has a breadcrumb trail: 'Docs / Learn / Browse / Azure Fundamentals part 1: Describe core Azure concepts'. The course title 'Azure Fundamentals part 1: Describe core Azure concepts' is prominently displayed, accompanied by a blue icon with a cloud and a play button. To the right of the title, it says '2500 XP'. Below the title, it indicates '1 hr 41 min • Learning Path • 3 Modules'. A row of role-based filters is shown: 'Beginner', 'Administrator', 'Solution Architect', 'Developer', 'Student', 'Azure', 'Azure Resource Manager', and 'Functions'. A video player thumbnail is featured, showing a woman and the text 'AZURE | FUNDAMENTALS', 'DESCRIBE CORE AZURE CONCEPTS', and 'LEARNING PATH'. Below the video, a paragraph introduces the series: 'New to the cloud? Azure fundamentals is a six-part series that teaches you basic cloud concepts, provides a streamlined overview of many Azure services, and guides you with hands-on exercises to deploy your very first services for free.' This is followed by a list of learning objectives under the heading 'After completing this learning path, you'll be able to:'. At the bottom, it says 'Here are the learning paths in this series:' and shows three icons representing different learning paths.

Docs / Learn / Browse / Azure Fundamentals part 1: Describe core Azure concepts

 **Azure Fundamentals part 1: Describe core Azure concepts** 2500 XP

1 hr 41 min • Learning Path • 3 Modules

Beginner Administrator Solution Architect Developer Student Azure Azure Resource Manager Functions

New to the cloud? Azure fundamentals is a six-part series that teaches you basic cloud concepts, provides a streamlined overview of many Azure services, and guides you with hands-on exercises to deploy your very first services for free.

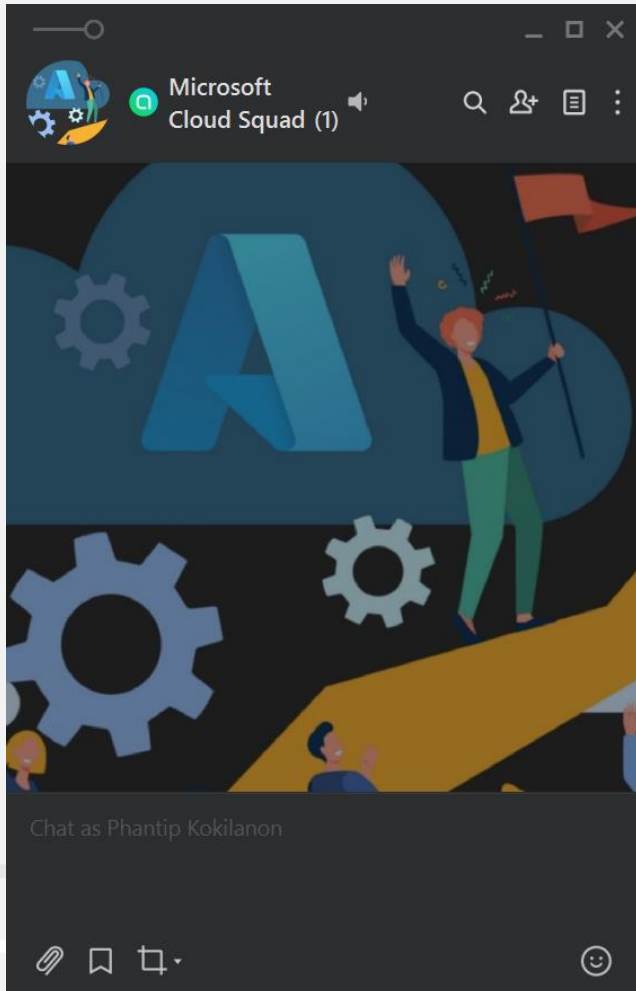

After completing this learning path, you'll be able to:

- Understand the benefits of cloud computing in Azure and how it can save you time and money
- Explain cloud concepts such as high availability, scalability, elasticity, agility, and disaster recovery
- Describe core Azure architecture components such as subscriptions, management groups, resources and resource groups
- Summarize geographic distribution concepts such as Azure regions, region pairs, and availability zones

Here are the learning paths in this series:

Q&A

The image features a dark blue background with a subtle, light blue geometric pattern of squares, circles, and lines. Overlaid on this are several thick, stylized lines in shades of blue and cyan. These lines start horizontally from the left edge, then curve upwards and to the right, eventually becoming diagonal. Small dots in matching colors are placed along these lines. The text 'Q&A' is positioned on the left side of the image.
